With his sharp mind and unwavering determination, Hunter is a master of deduction who unravels the most perplexing mysteries with surgical precision. In 'Cruel As The Grave,' the first installment of the DCI Sheldon Hunter Mysteries series, we are introduced to this extraordinary detective and the chilling world he inhabits.

A City Gripped by Darkness

The novel opens in the heart of a sprawling metropolis, where darkness lurks beneath the glittering façade. A young woman is found brutally murdered in her own home, the victim of a senseless and savage attack. As DCI Hunter and his team arrive on the scene, they are confronted with a macabre tableau that sends shivers down their spines.

With each passing hour, the investigation grows more convoluted. Suspects emerge from the shadows, their motives shrouded in deception and doubt. Rumors of occult rituals and ancient grudges swirl through the city streets, creating an atmosphere of unease and paranoia.

A Web of Intrigue Unravels

As Hunter delves deeper into the case, he uncovers a labyrinth of secrets and lies that reach far beyond the victim's circle. Corrupt politicians, ambitious criminals, and unhinged individuals become entangled in a deadly dance, their actions driven by greed, power, and a thirst for revenge.

With every revelation, Hunter's determination to find the truth intensifies. He follows the breadcrumbs of evidence, no matter how faint, knowing that the key to solving this heinous crime lies somewhere within the intricate web of deceit.

Unveiling the Cruel Hand

As the investigation reaches its climax, Hunter finds himself on the cusp of unmasking the killer. But with each step closer to the truth, the danger mounts. The killer, driven by a twisted sense of justice or a thirst for blood, will stop at nothing to prevent their secrets from being exposed.

In a heart-stopping finale, Hunter confronts the perpetrator in a tense and perilous showdown. The fate of the city hangs in the balance as the detective grapples with the darkness that has consumed it. Will he prevail against the odds and bring justice to the victims? Or will the cruel hand of the murderer prevail, plunging the city into eternal darkness?
