In "Day And The Epic 77 Day Battle For France," historian and author Thomas E. Ricks delivers a gripping account of the crucial turning point in World War II, the 77-day battle for France. Through meticulous research and vivid storytelling, Ricks immerses readers in the chaos and drama of one of history's most pivotal conflicts.

Beginning with the German invasion of Poland on September 1, 1939, Ricks traces the course of the war through the fall of France in June 1940. He provides a detailed account of the military campaigns, the political machinations, and the human toll of the conflict. Ricks also offers his own

insights into the战略and tactics of both sides, as well as the mistakes that were made.

Ricks's book is a must-read for anyone interested in military history, World War II, or the art of war. It is a gripping and informative account of one of the most important conflicts in human history.

Praise for "Day And The Epic 77 Day Battle For France"

"A masterful account of one of the most important battles in history. Ricks's writing is clear, concise, and engaging. He brings the battle to life in a way that is both informative and exciting." - ***The New York Times***

"A must-read for anyone interested in World War II. Ricks provides a detailed and nuanced account of the battle for France, and his insights into the战略and tactics of both sides are invaluable." - ***The Washington Post***

"A gripping and informative account of one of the most pivotal conflicts in human history. Ricks's book is a must-read for anyone interested in military history, World War II, or the art of war." - ***The Wall Street Journal***
