Design for Story is a comprehensive guide to creating outdoor living spaces that are both beautiful and functional. With stunning photography and expert advice, this book will help you design a space that is perfect for your needs and creates lasting memories.

## What's Inside Design for Story?

Design for Story is divided into three parts:

1. **The Basics of Outdoor Design:** This section covers the essential elements of outdoor design, including choosing the right plants, materials, and furniture. You'll also learn how to create a space that is both functional and beautiful.
2. **Designing for Different Purposes:** This section provides specific advice on designing outdoor spaces for different purposes, such as entertaining, relaxing, or playing. You'll also find tips on creating spaces that are適合 for children and pets.
3. **Creating a Story with Your Outdoor Space:** This section helps you to create a unique and personal outdoor space that reflects your own style and personality. You'll learn how to use plants, materials, and accessories to tell a story and create a space that is truly your own.

## Who is Design for Story For?

Design for Story is for anyone who wants to create a beautiful and functional outdoor living space. Whether you're a first-time homeowner or a seasoned gardener, this book will provide you with the inspiration and guidance you need to create a space that you'll love.
