## Nature as a Sacred Presence

Native American theology places nature at the heart of its spiritual experience. The land, water, animals, and plants are not mere resources but sacred beings with whom humans share a profound kinship. Respect for the natural world is fundamental, as it is seen as a manifestation of the divine. Kidwell's work invites us to reconnect with nature, seeking wisdom and guidance from its rhythms and cycles.

## Spirituality as a Way of Life

Community plays a central role in Native American spiritual practices.

For Native Americans, spirituality is not a separate realm but an integral part of everyday life. Kidwell's writings highlight the importance of ritual, ceremony, and prayer as expressions of this lived spirituality. These

practices foster a deep connection to the sacred and shape a way of life that values community, harmony, and respect for all beings.

## **The Creator and the Great Mystery**

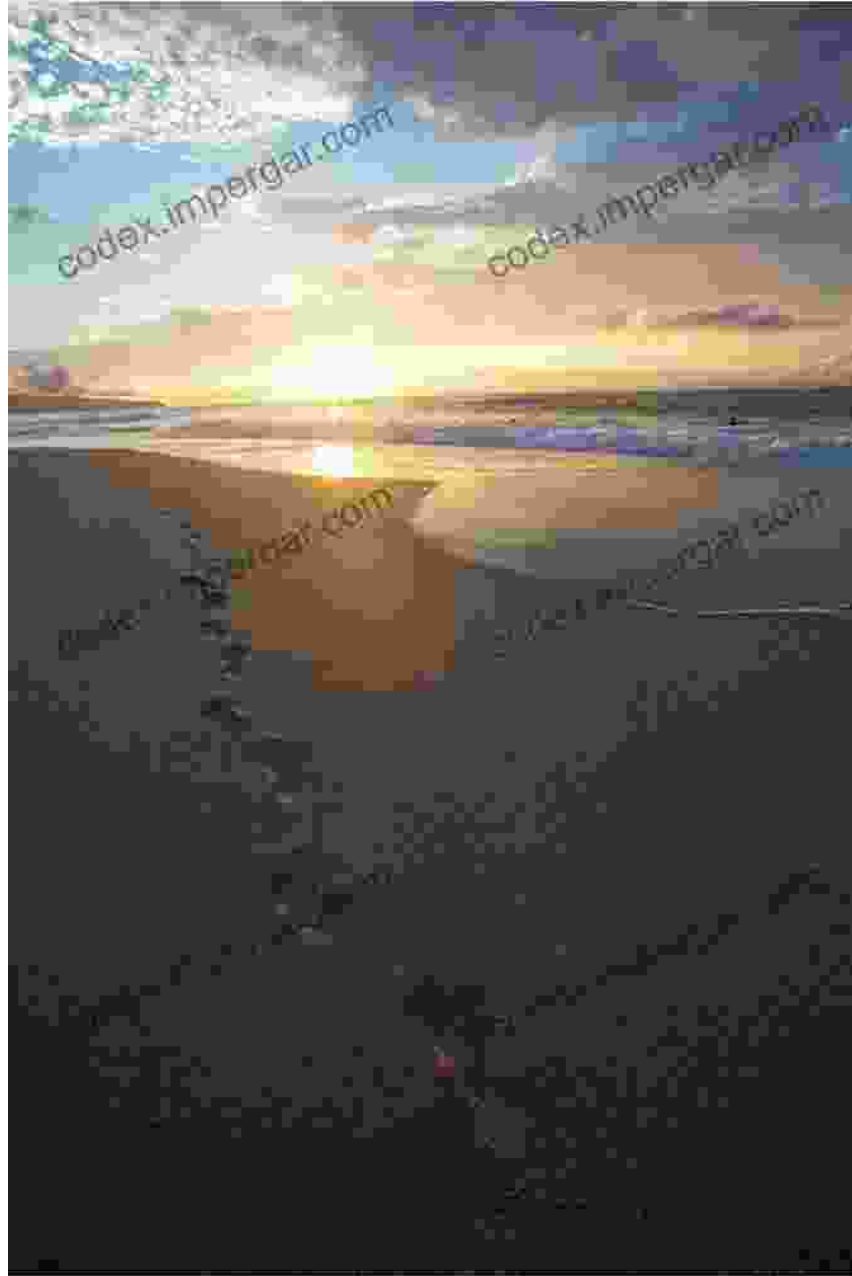

Native American theology acknowledges a supreme being, often referred to as the Creator or the Great Mystery. This transcendent force is seen as the source of all life and the guiding spirit behind the universe. Kidwell explores

the diverse ways in which Native Americans have understood and experienced the divine, fostering a sense of awe and reverence for the sacred.
