This collection of essays was published in 1976 to commemorate the centennial of the Royal Military College of Canada. The essays cover a wide range of topics related to the history and legacy of RMC, including its founding, its curriculum, its faculty, its students, and its graduates.

The essays are written by a variety of authors, including historians, military officers, and RMC alumni. They provide a comprehensive and insightful look at the Royal Military College of Canada and its role in Canadian military history.

Table of Contents

- Chapter 1: The Founding of the Royal Military College of Canada
- Chapter 2: The Curriculum of the Royal Military College of Canada
- Chapter 3: The Faculty of the Royal Military College of Canada
- Chapter 4: The Students of the Royal Military College of Canada
- Chapter 5: The Graduates of the Royal Military College of Canada

Chapter 1: The Founding of the Royal Military College of Canada

The Royal Military College of Canada was founded in 1876 by Royal Charter of Queen Victoria. The college was established to provide a high-quality military education to young men from across Canada. The founding of RMC was a significant событие in the history of Canadian military education, and it has played a major role in the development of the Canadian Armed Forces.

The first Commandant of RMC was Colonel John Macdonald, who was also the first Prime Minister of Canada. Macdonald was a strong supporter of military education, and he believed that RMC would play a vital role in the development of a professional Canadian officer corps.

The early years of RMC were challenging. The college was small and underfunded, and it struggled to attract students. However, the college

gradually gained a reputation for excellence, and by the turn of the 20th century, it was one of the leading military academies in the Commonwealth.

Chapter 2: The Curriculum of the Royal Military College of Canada

The curriculum of the Royal Military College of Canada has evolved over the years to meet the changing needs of the Canadian Armed Forces. However, the core of the curriculum has remained the same: to provide students with a well-rounded education in the arts and sciences, as well as in military science.

The curriculum of RMC is divided into two parts: the academic program and the military training program. The academic program includes courses in mathematics, science, engineering, history, economics, and political science. The military training program includes courses in military history, tactics, weapons, and leadership.

The curriculum of RMC is designed to challenge students intellectually and physically. The college's graduates are well-prepared for careers as officers in the Canadian Armed Forces.

Chapter 3: The Faculty of the Royal Military College of Canada

The faculty of the Royal Military College of Canada is composed of a diverse group of scholars and military officers. The faculty members are experts in their respective fields, and they are committed to providing students with a high-quality education.

The faculty of RMC is dedicated to teaching, research, and service. The faculty members are actively involved in research projects, and they publish their findings in leading academic journals. The faculty members

also serve as advisors to students and they play a vital role in the college's community.

Chapter 4: The Students of the Royal Military College of Canada

The students of the Royal Military College of Canada come from all walks of life. They are men and women from all parts of Canada, and they represent a wide range of backgrounds and experiences.

The students of RMC are drawn to the college by its reputation for excellence. They are all motivated to learn and to serve their country. The students of RMC are a diverse and talented group, and they are the future of the Canadian Armed Forces.

Chapter 5: The Graduates of the Royal Military College of Canada

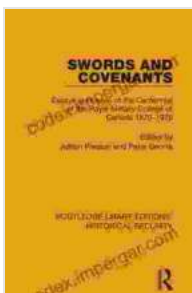

The graduates of the Royal Military College of Canada have gone on to serve in all branches of the Canadian Armed Forces. They have fought in every major conflict in Canadian history, and they have made significant contributions to the defence of Canada.

The graduates of RMC are leaders in their field. They are highly skilled and well-educated, and they are committed to serving their country. The graduates of RMC are a source of pride for the college and for the Canadian Armed Forces.

The Royal Military College of Canada is a vital part of the Canadian Armed Forces. For over 100 years, RMC has provided a high-quality military education to young men and women from across Canada. The graduates of RMC have gone on to serve with distinction in all branches of the

Canadian Armed Forces, and they have made significant contributions to the defence of Canada.

The Royal Military College of Canada is a national treasure. It is a symbol of excellence in military education, and it is a vital part of the Canadian Armed Forces. The college is a source of pride for all Canadians, and it is a testament to the dedication and hard work of the men and women who have served and studied at RMC.
