In a distant future, humanity has colonized the stars. But as their reach expands, so too does the threat of war. The latest conflict is known as the Frame War, a brutal struggle between the United Colonies and the rebel group known as the Separatists.

At the heart of the conflict is a young woman named Anya. A skilled pilot with a troubled past, Anya is determined to prove herself on the battlefield. But as she fights for her beliefs, she will discover that the lines between good and evil are not always clear.
