CAFE WALL OPTICAL ILLUSION

*Do the horizontal bars look like they bend and are at an angle?
Look again, because they don't bend. They are straight and in parallel rows.
The alternating target patterns, rows and colors all combine to trick your brain.*

Unravel the Secrets Hidden in Plain Sight

Sharpen your decoding skills as you venture into the world of secret messages. Explore different methods of encryption, from simple substitution ciphers to complex anagrams. Learn how spies and intelligence agencies throughout history have used secret codes to safeguard crucial information. With our expert guidance, you'll become a master codebreaker, deciphering hidden messages that lie in wait.

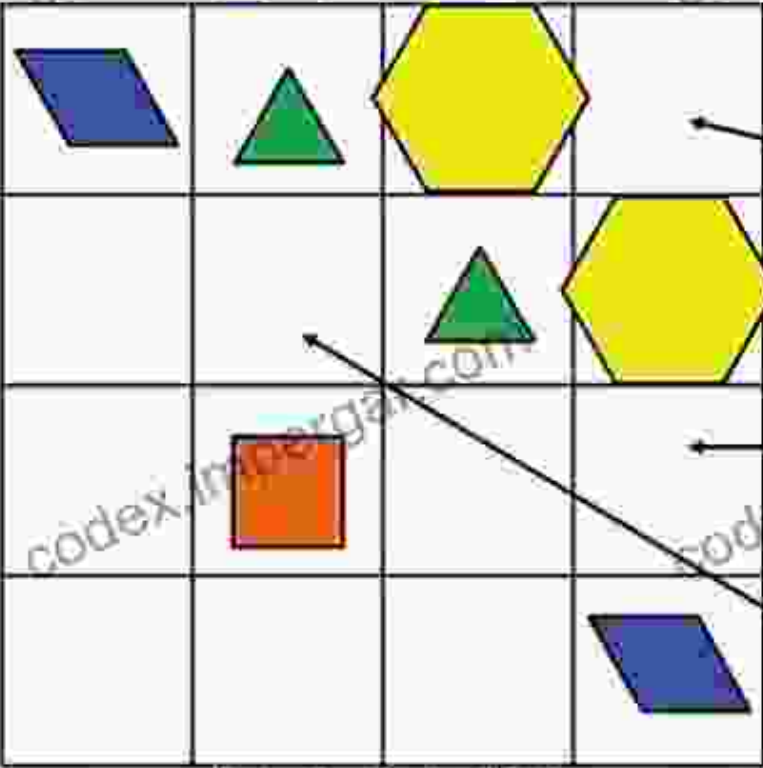

Test Your Brainpower with Captivating Puzzles and Riddles

Put your problem-solving abilities to the test with our assortment of brain-teasing puzzles and riddles. From logic conundrums to visual challenges, each puzzle is designed to stimulate your critical thinking and enhance your cognitive skills. Engage in a playful battle of wits and discover the satisfaction of solving each enigma.

Questions You Might Ask To Begin A Group Discussion

LOGIC PUZZLE #1

Fill in the squares below with the missing shapes so that each row and column has **one** - and **only one** - of each of the four shapes below.

Pattern Block Puzzle - 4 Grid

What do you notice?
What do you wonder?
Where would you start?
Why?

What piece has to go here?
