Welcome to The Routledge Handbook of Placemaking, the definitive guide to creating vibrant, inclusive, and sustainable communities. This groundbreaking resource brings together a global community of experts to offer a comprehensive exploration of placemaking principles, practices, and outcomes.

Unlock the Potential of Public Spaces

Public spaces are the heart and soul of our communities. They provide places for people to gather, connect, and express themselves. This handbook empowers you with the knowledge and tools to transform these spaces into thriving hubs of activity.

- Learn how to engage local communities in the placemaking process

- Discover innovative design techniques for creating inclusive and accessible spaces
- Gain insights into the economic, social, and environmental benefits of placemaking

Case Studies from Around the World

The Routledge Handbook of Placemaking is not just a theoretical tome. It is packed with real-world examples of successful placemaking initiatives from around the globe. These case studies provide valuable lessons and inspiration for your own community.

- Explore the transformation of Times Square in New York City
- Discover how the High Line in Manhattan became a vibrant urban oasis
- Learn from the success of the Vancouver Public Library

Empowering Communities

Placemaking is about more than just creating beautiful spaces. It is about empowering communities to take ownership of their public spaces and shape their own futures. This handbook provides you with the tools and resources to facilitate community engagement and build consensus.

- Understand the importance of community engagement in placemaking
- Discover how to build partnerships and leverage local resources
- Learn how to measure and evaluate the success of placemaking initiatives

About the Editors

The Routledge Handbook of Placemaking is edited by a team of leading experts in the field:

- **Dr. John Montgomery** is a Professor of Urban Planning and Policy at the University of Southern California.
- **Dr. Paola Signorini** is an Associate Professor of Urban Planning and Policy at the Bartlett School of Planning, University College London.
- **Dr. Lisa J. Taylor** is an Associate Professor of Landscape Architecture at North Carolina State University.
